

Preble Parents and Children,

I am pleased to bring the Preble Park Youth Program to the children of Preble this summer. In order to participate in the program, your child will need an emergency release form and a permission slip completed. These forms **must** be filled out before we can allow your children on the bus. The forms can be found on the Preble website preble-ny.org, at the Town Hall, at the Park when we are there, or directly from me.

To ensure the program runs smoothly and your child gets the most out of this program, parents and guardians need to do their part.

Parent or Guardian's Role

- Be punctual so your child does not miss out on any activity.
- Remember to sign your child up for the free lunch when you drop them off. (If you opt out of the free lunch program, make sure your child has a bag lunch packed so they will not go hungry when the other children eat.)
- Make sure your child is dressed appropriately for the day's activity.
- Make sure your child has the necessary items as outlined for each activity so they may fully enjoy all that is offered. This includes making sure they have sunscreen on them or with them if needed.
- Please label all personal items with your family name or the name of your child.
- Make sure you sign your child up a week in advance for the field trips they will attend.
- Be on time or early to pick up your child. **There will be no supervision after the time stated for pick up.**

I look forward to a fun filled summer. Feel free to call me if you have any questions.

Director of PPYP
